FEEDBACK ANALYSIS

How citizens rate the outcome

Ratings assigned by AI from written feedback

Excellent	Very good	Good	Poor	Very poor
2,483	14,988	4,404	58,297	14,900

Most feedback comes from **E-Commerce (38,770)**, then Consumer Durables (8,162) and Electronics (8,029).

ROOT CAUSE ANALYSIS

Case study: e-commerce platforms

Consumer Affairs › E-commerce › Root causes

- Replacement denied
- Product missing from package
- Product with missing parts
- Duplicate / defective product
- Delay in refund
- Wallet balance not usable
- Misleading "zero-cost EMI"

See It All
Categories, companies and states in one view.

Act Early
Spikes flagged as they happen.

Hear Citizens
